

LAEDC2022

LATIN AMERICAN ELECTRON DEVICES CONFERENCE

CANCÚN, MEXICO

4-6 JULY, 2022

CALL FOR PAPERS

LAEDC is the premiere Latin-American Electron Devices and related fields conference sponsored by IEEE's Electron Device society (EDS). Its main goal is to bring together specialists from Industry and Academia in all Electron Device related fields. This fourth edition will take place as a hybrid event and will also have a strong component of technology based Humanitarian Projects and STEM. The conference will be geared for students as well as young researchers and practitioners.

Authors are required to present online or in-person at the scheduled time to check or clarify the presentation and answer questions in sync with the live conference.

Proceedings will be published by IEEE and the accepted papers will be available on IEEE Xplore®. The best papers presented in the conference will be considered for publication in a special issue of the Journal of the Electron Devices Society JEDS.

TOPICS OF INTEREST

Topics of interest include

- ◆ All electron-based devices
- ◆ Electron Devices for Quantum Computing RF-MMW-5G
